Subject Circular letter No 6900/946 dated the 19th Instant.

Sir,

I have the honor to forward herewith the accompanying statements on the character & qualifications of the Servants attached to the Distilleries in this Division.

As regards the Supervisor of the Chitaldroog Distillery orders have been issued to remove him from his post and appoint a more active man in his stead.

The Chief Com.r having already directed the abolition of 3 of the Distilleries in this Division, the undersigned has no proposals to submit in this respect. It appears desirable to increase the pay of the Darogas in charge of Distilleries, the pay of these

The Commissioner may be asked to submit a proportion statement showing the number and names of menials he would require for each distillery in his division & also the salaries he would give them. The scheme should also show the number of lower servants such as peons &c. &c.

The appointment of Darogah should rest with the Chief Commr.

When the returns are received a proportion statement for the whole province will be submitted.

The Commissioner's report on this question should be received by 1/7/75 & his letter by 20/7/75

these officials in this Division) being 30 & 35 Rupees only.

Chitaldroog District Excise Office

To The Comm.r of the
Nagpur Div.n

Sir,

With reference to yr Circular Docket
No 373 dated the 28th ultimo, forwarding
for mine information, copy of the Chief
Comr's Proceedings No 5216/37 of the 16th Idem
containing observations regarding the working
of the Abkari of the Province, under
the Sudder Distillery System, I have the
honor to state that a special report on
the character & qualifications of the
present Sudder Distillery officials is
therein called for, for the Chief Comm.rs'
information, & it is also stated that
arrangements will be made to secure the
presence at Bangalore on 1st December
next of the Lessees in view to their
qualifications for their posts, being
examined by a competent person.

As the Distillery at Harihar
is to be abolished from 1st April
next, a report on the qualifications
of the officials there, appears to be
unnecessary.

As regards the officials of the
Distillery at Chitaldroog, I beg to report
as follows:—

1. Narayanasing the Supervisor is an old man, of fifty years of age, and is, in my opinion, utterly unfit for his post, the duties of which require constant moving about a careful Supervision of the details of the working of Seedor Distillery System, and frequent inspection and checking of the accounts &c of retail and wholesale vendors in the District and a close watch over Smuggling and illicit distillation. Owing to his incompetency for the post Captain Maltby had ordered him to appear before the Assistant Apothecary for examination as to his physical fitness - He has now done so, but the Assistant Apothecary considers him fit for further service - Considering the onerous nature of the duties he has to perform, I am of opinion that a more competent man should be appointed to the post, recommending the present incumbent for gratuity or Pension as the case may be with reference to the length of his Service - I shall, on receipt of your orders, Submit his Roll in due form & recommend another after due examination -

2? Kalli Krishnappa the distillery Moodeeny, held the posts of Municipal

Moodtuddy of Chitaldroog & Imaamut Gomashta, in the District office, before, and has since his appointment to the present post, discharged his duty Satisfactorily, as far as I can judge

3ds Beerahmed the Lester was formerly the Killadar of the Doderi Taluk, but on the revision of the Police he was first appointed a Taluk Judicial Gomashta and then to his present post, but I refrain from remarking on his qualifications, as the examination he will be called upon to undergo, at Bangalore, will decide the question - In the meantime I would beg to know whether he is to be sent to Bangalore for examination as mentioned in the Chief Court's proceedings under reference, from which I was led to believe that orders on the subject would follow -

I have &c

While leaving Shimoga on leave for Mangalore, I write these few lines for Mr J. Rebello, Supervisor of the Sudder Distillery at Shimoga. I know him for a long time. He was holding Similar appointment at Chickmagalur, and During the period I was Amildar of that Taluk I found him not only a respectable public Servant, but also very attentive to his responsible Duties. He has discharged his Duties in the Same manner as ever, and the increase in the revenue from this Source is partly Due to his Supervision.
